Step 1, Getting Started: Read all instructions before starting. Assemble all supplies.

Step 2, Assembling Jar: Draw 6" diameter circle on back of the fabric and cut out circle with pinking shears. Fill jar with hot chocolate mix. Place lid on jar, center fabric circle and twist on jar band. Cut 2 1/2" x 3 1/4" snowman image for front of jar and attach with glue dots. Wrap wide blue ribbon around jar and over lower edge of snowman image, securing ends at back of jar with glue dots. Repeat with white ribbon, centering over blue ribbon. Attach snowman and shovel images with foam dots to front of jar.

Step 3, Gift Card: Fold denim splatter scrapbook paper in half to form a gift card. Center and attach mug image to front of card. Use paper punch to make a hole in upper left hand corner. Wrap thin blue ribbon around neck of jar and tie into a knot. Thread one end of ribbon through holes in measuring cup and card. Tie ribbon into a bow, securing cup and card.

Step 4, Decorating Lid: Use craft glue dots to secure snowflake buttons to fabric on top of jar.
