

Color-Coded Packaging

Have you wondered what the color on the box means? This quick chart will help you pick the right jar for your fresh preserving needs.

Ball® Branded Jars

All Ball Branded Jars in Blue boxes are Freezer Safe

They have straight sides so when your food freezes there is room at the top for expansion. These jars can be either Regular or Wide mouth.

From The Makers Of
Ball®
Fresh Preserving Products

All Ball Branded Jars in Red boxes are Regular Mouth

These jars are good for salsas, sauces, chutney, relishes, fruit butter, and pie fillings.

All Ball Branded Jars in Green boxes are Wide Mouth

These jars are good for preserving large fruits and vegetables such as peaches, pickles, beans, and tomatoes.
